Certified User Quiz

In partnership with our Ethics Review Board, we've updated our terms of use to ensure that users who create content in the system are informed about appropriate conduct when dealing with possibly sensitive data.

Please answer the following questions to become certified...

1. As a "certified" Synapse user, I can:

   ○ a) Browse public project and file catalogues
   ○ b) Create a project
   ○ c) Download Files
   ○ d) Upload Files
   ◉ e) All of the above
   ❷ Need help answering this question?

2. If I create a new project the content is shared with the public by default.

   ○ a) True
   ○ b) False
   ❷ Need help answering this question?

3. Which of the following statements is true?

   ○ a) Data without use restrictions can be shared with other registered Synapse users
   ○ b) Any data that I download from Synapse can be reposted in another database
   ○ c) I can freely share any data downloaded from Synapse with my collaborators
   ○ d) All of the above
   ❷ Need help answering this question?

4. "Conditions for Use" are used to:

   ○ a) Do the same things as the Sharing settings
   ○ b) Control who can view Synapse content
   ○ c) Enforce use restrictions of content in a file or folder
   ○ d) Share Synapse content in a limited fashion with a group of my close collaborators
   ❷ Need help answering this question?

5. I would like to add "Conditions for Use" to one of my files. I can:

○　a) Add "Conditions for Use" through the Web interface

○　b) Load the content into an existing "Controlled Access" folder

○　c) Simply list the desired condition for use in the project wiki

○　d) a and b
